SUBJECT: Commendation -

1. During the past two weeks, the Office of Legislative Counsel has been extremely busy with a number of projects requiring a good deal of work in a short space of time. During this period, I could not fail to notice that was performing her work with great efficiency and speed. Despite the unrealistic time limitations imposed upon her, neither complained nor hesitated in carrying out a variety of assignments.

2. I wish to bring this matter to your attention for whatever action you deem appropriate.
